Director Notes

Welcome to the SU Dance Company's Fall 2022 Student Showcase!

I invite you to sit back, turn off your devices and let the world slip away for an hour. This concert showcases the work of many talented students and guest artists. The SU dancers have choreographed and performed all of the dances on this concert except the last piece. That dance is choreographed by guest artist Jessica Hindman with original music by Easton native Kentavius Jones. It is a dance for the full company – and a lyrical jazz delight! We hope you will enjoy it, as well as the rest of the concert. Look for a new dance video based on this piece coming soon on our social media platforms including: sudancecompany and sutheatreanddance.

Dance, like all art forms, can be for enjoyment and also to expose you to a new idea. Please let your mind be at ease and allow the sensations of each dance to flow over you. Don't worry about the meaning – relax and enjoy the concert! Thanks for joining us.
